

RIVERSDALE

2019 vendor

Twice making his way through the sale ring; sold by Riversdale as a weanling for \$240,000 and then going on to make \$500,000 as a yearling, Irukandji proved his worth winning the T.L Baillieu Handicap-Gr.3, 1400m at 2, in the process becoming Dundee's first stakes winner.

2017 saw Riversdale send an Epaulette filly who they are very proud to have bred and raised, through the MM ring for \$150,000. Racing as Meryl she has won the B.J McLachlan Stakes-Gr.3, 1200m and the Champagne Stakes-Gr.3, 1200m with multiple Gr.3 placings at her two most recent starts at the VRC Spring Carnival making her a very valuable filly.

Meryl's half-brother by Headwater (Lot 318) is one member of a strong 2019 draft for Riversdale, a youngster who Nick Hodges is confident will attract his share of attention.

"He is a really nice colt who is going to have plenty of admirers," he said of the half-brother to four other winners including the stakes placed Chosen Idol and the two times stakes placed city winner Miss Idyllic.

Hodges is delighted with the strength of the draft, noting that "we have fillies and colts by a range of stallions to suit all sectors of the market. Including two by I am Invincible, a couple by the very much in form Smart Missile, a More Than Ready and yearlings by other leading sires such as Star Witness and So You Think, as well as the younger stallions Dissident, Deep Field, Rubick and Pride Of Dubai."

What have been your Magic Millions highlights we asked Nick Hodges...

"I can't beat the buzz of seeing the reaction of our clients and staff when we sell a yearling which exceeds expectations. It's a real team effort and the pride and satisfaction a big result provides us all with is a great feeling."

What do you enjoy about selling at the Magic Millions?

"Going to the beach in the mornings with the kids at the Gold Coast is a real luxury; it is very refreshing. The Magic Millions sale is the first sale for the year and is therefore the first time following a hectic breeding season for Jas and I to catch up with friends in the industry."

If you could learn to do anything, what would it be?

"I'd love to fly a fast jet; I don't think there would be a greater thrill for me. As a young fellow I had my mind set on becoming a pilot, however university along with the trappings of being a student intervened."

What outside of racing are you doing?

"I have taken up jiu jitsu. It is non-horsey and a great outlet, even if it is one of the toughest things I've ever done." ●
